Give your Stomach a Rest.

The trouble with most sick people is that in their anxiety to get well they try first this nos trum, then that, until the poor stomach rebels and calls a halt. There's a better way. Wha the body needs is oxygen-more oxygen. The Electropoise is simply an instrument which, when applied to the ankle or wrist for a short period each day, polarizes the body and ena-bles it to take on oxygen more freely. The Electropoise cures without medicine. One astrument lasts a lifetime. Send for descrip ive book and read what noted people say bout the Electropoise.
